SPECIAL COLLECTION

Next weekend will be **World Mission Sunday** for Nativity. This is a change of date to **10-11 October** so that we might have **Fr. Solomon** speak at all of our Masses. World Mission Sunday, founded in 1926 by Pope Pius XI, is an annual collection for the Society for the Propagation of the Faith. On World Mission Sunday, Catholics around the world are called in a special way to be missionaries. Your prayers and support on World Mission Sunday are vital to the missionaries serving 1,150 mission territories worldwide, including Asia, Africa, Latin America, and the Pacific Islands, which is nearly one-third of the world. Your gift for World Mission Sunday, through the Society of the Propagation of the Faith, will make it possible for missionaries around the world to proclaim the Gospel to the ends of the earth. Please be generous.

Checks for all special collections should be made out to the **Church of the Nativity**. In the memo line write the appropriate reference for your donation, for example: *World Mission Sunday*.

CONCERNED ABOUT YOUR MARRIAGE? Call Retrouvaille.... (415) 893-1005

- ♥ Do you feel lost and alone?
- ♥ Are you hurt, frustrated, or angry with each other?
- ♥ Have you thought about separation or divorce?
- ♥ Would you simply like to improve communication skills?

Pope Benedict XVI met with Retrouvaille participants and explained that when a marriage is suffering, the spouses are facing an opportunity that "will help them to grow." Guided by Mary and with the help of the Lord, their love will be purified, deepened and strengthened. Retrouvaille is the name of a Catholic Ministry designed to help heal and renew marriages.

Retrouvaille is not just for hurting couples and welcomes all couples wanting to bring new life to their marriage. Couples of all faiths and those with no faith tradition are welcome and encouraged to attend. The ultimate goal of Retrouvaille is solely to help save marriages.

Retrouvaille is not a retreat or marriage counseling. There are neither group dynamics nor group discussions on the weekend. It is not a time for hurting; it is a time for healing.

There are several Retrouvaille weekends each year being held throughout California, along with English or Spanish speaking sessions.

Go to www.retrouvaille.org

It's not too late to register for the November 6 - 8 weekend!

**VISIT TO THE JOINT SESSION
OF THE UNITED STATES CONGRESS
ADDRESS OF THE HOLY FATHER
United States Capitol, Washington, D.C.
Thursday, 24 September 2015**

*Mr. Vice-President, Mr. Speaker, Honorable Members of Congress,
Dear Friends,*

I am most grateful for your invitation to address this Joint Session of Congress in “the land of the free and the home of the brave”. I would like to think that the reason for this is that I too am a son of this great continent, from which we have all received so much and toward which we share a common responsibility.

Each son or daughter of a given country has a mission, a personal and social responsibility. Your own responsibility as members of Congress is to enable this country, by your legislative activity, to grow as a nation. You are the face of its people, their representatives. You are called to defend and preserve the dignity of your fellow citizens in the tireless and demanding pursuit of the common good, for this is the chief aim of all politics. A political society endures when it seeks, as a vocation, to satisfy common needs by stimulating the growth of all its members, especially those in situations of greater vulnerability or risk. Legislative activity is always based on care for the people. To this you have been invited, called and convened by those who elected you.

Yours is a work which makes me reflect in two ways on the figure of Moses. On the one hand, the patriarch and lawgiver of the people of Israel symbolizes the need of peoples to keep alive their sense of unity by means of just legislation. On the other, the figure of Moses leads us directly to God and thus to the transcendent dignity of the human being. Moses provides us with a good synthesis of your work: you are asked to protect, by means of the law, the image and likeness fashioned by God on every human face.

Today I would like not only to address you, but through you the entire people of the United States. Here, together with their representatives, I would like to take this opportunity to dialogue with the many thousands of men and women who strive each day to do an honest day's work, to bring home their daily bread, to save money and –one step at a time – to build a better life for their families. These are men and women who are not concerned simply with paying their taxes, but in their own quiet way sustain

the life of society. They generate solidarity by their actions, and they create organizations which offer a helping hand to those most in need.

I would also like to enter into dialogue with the many elderly persons who are a storehouse of wisdom forged by experience, and who seek in many ways, especially through volunteer work, to share their stories and their insights. I know that many of them are retired, but still active; they keep working to build up this land. I also want to dialogue with all those young people who are working to realize their great and noble aspirations, who are not led astray by facile proposals, and who face difficult situations, often as a result of immaturity on the part of many adults. I wish to dialogue with all of you, and I would like to do so through the historical memory of your people.

HISTORICAL VICTORIES IN PRAYER

How powerful IS the rosary? Consider these events:

October 7, 1571 — In the great battle of Lepanto, October 7th, 1571 a greatly outnumbered force of Christian defenders held off a Turkish invasion. It was considered a miraculous victory brought about specifically through the Rosary (St. Pius V's Crusade had united all of Europe in prayer).

May 13, 1955 — After 700,000 people agreed to pray the Rosary in Austria, the Soviets mysteriously departed the country on the anniversary date of Fatima-May 13th, 1955.

October 13, 1960 — After Pope John XXIII called for prayer, a million pilgrims in Fatima held an all-night prayer vigil before the Blessed Sacrament. The next day, October 13, 1960, an accident destroyed a new Soviet missile, killing many top scientists and setting back the Soviet nuclear arms program by at least 20 years.

May 13, 1984 — After another major Rosary Crusade, a massive explosion on May 13, 1984, eliminated two-thirds of the missiles of the Soviet Union's powerful Northern Fleet.

May 12, 1988 — Four years later it happened again! As thousands prayed all night long, on May 12, 1988, during the vigil of the anniversary of the apparition at Fatima, another major explosion shut down the Soviet Union's only missile plant.

PRAY THE ROSARY AS OFTEN AS YOU CAN!

THE BATTLE OF LEPANTO

This battle, fought off the coast of Greece on **07 October 1571**, was the climactic battle between the defending Christians and the Muslim invaders (who would eventually remove Christianity from the Middle East and North Africa). They were now threatening Europe: the success of the Christian navy would stop the advance and preserve Europe as a Christian civilization. Find out more about the miraculous outcome of this battle, and why October 7th is now the **Memorial of Our Lady of the Rosary**.

OCTOBER IS RESPECT LIFE MONTH

Prayer for Week One:

We pray for Catholics throughout the world, that the Holy Spirit may help us bear witness to the truth that every life is worth living.

RESPECT FOR ALL PEOPLE FROM CONCEPTION TO NATURAL DEATH.

UNITE THE BELIEVERS WITH THEIR ROSARIES!
