Please note that there will be no sales pitch; the goal is to provide up-to-date information that will be of help to families in planning for the future. CALIFORNIA TRIES TO REVAMP DEATH PENALTY PROCEDURES

California Bishops Call to Action: Please see the California Conference of Catholic Bishops website www.cacatholic.org for more details and to take action. After having its death penalty protocols repeatedly ruled unconstitutional, California will once again attempt to rewrite the process to comply with court rulings. The Catholic Bishops of California join the Holy Father in calling to end the use of the death penalty believing there is no humane way of killing another person. Additionally, the regulations limit the inmate's access to chaplains and spiritual advisors as the execution draws near. Please voice your opposition to the use of the death penalty and the limited role of chaplains in the new protocols. Comments sent via email will be accepted until **22 FEB 2016**. Visit the *Death Penalty* page in the *Reverence for Life* section of the California bishops website.

Young Believers

“She has the appearance of a young girl of sixteen or seventeen. She is dressed in a white robe, girdled at the waist with a blue ribbon which flows down all around it. A yoke closes it in graceful pleats at the base of the neck. The sleeves are long and tight-fitting. She wears upon her head a veil which is also white. This veil gives just a glimpse of her hair and then falls down at the back below her waist. Her feet are bare but covered by the last folds of her robe, except at the point where a yellow rose shines upon each of them. She holds on her right arm a rosary of white beads with a chain of gold, shining like the two roses on her feet.”

-- Bernadette’s description of Our Lady of Lourdes after the first apparition.

A PRAYER TREAT

Did you know that pretzels became a treat more than 1400 years ago? Around 610 A.D. a monk was baking bread in a monastery in Europe. While baking, he was thinking about prayer. At that time, people held their arms over their hearts while praying. The monk decided that he would twist leftover dough into a shape of someone praying.

When the new treat was finished baking, the monk showed the others in the monastery. They decided to give the twisted treats to children as rewards for learning their prayers. The monks called the treats **pretiola**, a Latin word meaning “little reward”.
