This is the doctrine that the souls which, on departing from the body, are not perfectly cleansed from venial sins, or have not fully atoned for past transgressions, are debarred from the Beatific Vision, and that the faithful on earth can help them by prayers, alms-deeds and especially by the sacrifice of the Mass.

PRAYER OF ST. GERTRUDE THE GREAT

Our Lord revealed to St. Gertrude that the following prayer

would release 1000 souls from Purgatory each time it was said.

“Eternal Father, I offer You the Most Precious Blood of Your Divine Son, Jesus, in union with the Masses said throughout the world today, for all the holy Souls in Purgatory, for sinners everywhere, for sinners in the Universal Church, those in my own home and within my family. Amen.”

IN THE COMMUNITY

HELP FOR TROUBLED MARRIAGES

Those whose marriages end in divorce are often people who never learned the proper tools for a happy marriage. This is where **Retrouvaille** (*rě-trō-vī*) can help. Teams of couples who have experienced all four stages of marriage (as explained in *Retrouvaille*) present the program. Instead of giving up, they found solutions and learned the tools they need to live a happy marriage; that there are certain learnable skills, attitudes and tools that they can use to deal with the inevitable problems of the real world. The next *Retrouvaille* weekend will be **04-06 NOV 2016** at the Hilton Garden Inn in Mtn View. The fee is **\$100**, including meals. For more information, registration, and other upcoming dates visit www.retrouvaille.org or call **Harvey** and **Cortne** at **415/893-1005** or **Joel** and **Sharon** at **707/217-8796**.

FROM THE HOLY SEE

THE HOLY FATHER'S PRAYER INTENTIONS

Each month **His Holiness** asks for general and missionary prayer intentions. For **November 2016**, the Holy Father's prayer intentions are:

Universal: *Countries Receiving Refugees*

That the countries which take in a great number of displaced persons and refugees may find support for their efforts which show solidarity.

Missionary: *Collaboration of Priests and Laity*

That within parishes, priests and lay people may collaborate in service to the community without giving in to the temptation of discouragement.

CUT THROUGH THE NOISE OF WHAT IS AT STAKE IN THIS ELECTION

Fr. John Lankeit of Ss. Simon and Jude Cathedral in Phoenix, AZ delivered a powerful 19-minute sermon on 02 OCT 2016 that, without naming names, goes straight to the heart of what is at stake in this election. This homily has now been translated into other languages and aired on EWTN Radio. Many people are calling it "the best homily I have ever heard on the most crucial issue of our times." Planned Parenthood just celebrated its ominous 100th anniversary. We would do well to remember the attitude and philosophy of Margaret Sanger, the founder of Planned Parenthood and an avid eugenicist who had many friends among the Nazi doctors and scientists. (Eugenics -- which literally means “well-born” -- was a term coined by Sir Francis Galton, a cousin of Charles Darwin. Eugenics promotes the breeding of individuals with the most desirable characteristics, while trying to ensure that “unfit” individuals do not have offspring.) In Margaret Sanger’s view, those she considered among the “unfit” were African-Americans, Jews, Slavs and Catholics (you didn’t know Catholicism was genetic, did you?)

Re-printed here from an article in LifeNews (www.lifenews.com) are 10 of Margaret Sanger’s most “eye-opening” quotes:

1. *“The most merciful thing that the large family does to one of its infant members is to kill it.”*
Woman and the New Race, ch. 6: *“The Wickedness of Creating Large Families.”*

2. Here, Sanger argues that, because the conditions of large families tend to involve poverty and illness, it is better for everyone involved if a child’s life is snuffed out before he or she has a chance to pose difficulties to its family: *“[We should] apply a stern and rigid policy of sterilization and segregation to that grade of population whose progeny is tainted, or whose inheritance is such that objectionable traits may be transmitted to offspring.”*
“Plan for Peace” from *Birth Control Review* (April 1932, pp. 107-108)

3. *Article 1. The purpose of the American Baby Code shall be to provide for a better distribution of babies... and to protect society against the propagation and increase of the unfit.*
Article 4. No woman shall have the legal right to bear a child, and no man shall have the right to become a father, without a permit...
Article 6. No permit for parenthood shall be valid for more than one birth.
“America Needs a Code for Babies,” 27 Mar 1934

4. *“Give dysgenic groups [people with “bad genes”] in our population their choice of segregation or [compulsory] sterilization.”*
 April 1932 *Birth Control Review*, pg. 108

5. *“Birth control must lead ultimately to a cleaner race.”*
Woman, Morality, and Birth Control. New York: New York Publishing Company, 1922. Page 12.

6. *“We should hire three or four colored ministers, preferably with social-service backgrounds, and with engaging personalities. The most successful educational approach to the Negro is through a religious appeal. We don’t want the word to go out that we want to exterminate the Negro population, and the minister is the man who can straighten out that idea if it ever occurs to any of their more rebellious members.”*
 Margaret Sanger’s December 19, 1939 letter to Dr. Clarence Gamble. Also described in Linda Gordon’s *Woman’s Body, Woman’s Right: A Social History of Birth Control in America*. New York: Grossman Publishers, 1976.

7. *“A woman’s duty: To look the whole world in the face with a go-to-hell look in the eyes... to speak and act in defiance of convention.”*
The Woman Rebel, Volume I, Number 1

8. *“[The most penetrating thinkers] are coming to see that a qualitative factor as opposed to a quantitative one is of primary importance in dealing with the great masses of humanity.”*
Pivot of Civilization, 1922.

9. Here, Margaret Sanger speaks on her eugenic philosophy – that only the types of “quality” people she and her peers viewed as worthy of life should be allowed to live: *“Such parents swell the pathetic ranks of the unemployed. Feeble-mindedness perpetuates itself from the ranks of those who are blandly indifferent to their racial responsibilities. And it is largely this type of humanity we are now drawing upon to populate our world for the generations to come. In this orgy of multiplying and replenishing the earth, this type is pari passu multiplying and perpetuating those direst evils in which we must, if civilization is to survive, extirpate by the very roots.”*
The Need for Birth Control in America (quoted by Angela Franks.)

10. *“Women of the working class, especially wage workers, should not have more than two children at most. The average working man can support no more and the average working woman can take care of no more in decent fashion.”*
“Family Limitation,” eighth edition revised, 1918
